We are a broad coalition of community clinics, hospitals, doctors, nurses, businesses, taxpayers and other providers opposed to AB 650, the dangerous and inequitable extra pay mandate. AB 650 mandates extra pay bonuses for some health care workers but excludes millions of other essential workers. AB 650 would impose more than \$7 billion in unfunded costs on public and private community clinics and hospitals, safety net providers, doctors, skilled nursing facilities and other health care providers.
